

THE RIGHT PLACE MANUFACTURERS COUNCIL

The Right Place | MMTC-West
MANUFACTURERS COUNCIL

ABOUT

The Right Place Manufacturers Council brings manufacturing leaders together to share knowledge, solve challenges, and strengthen manufacturing across West Michigan. Since 1989, the Council has connected manufacturers through collaboration, leadership development, and strategic partnerships that help businesses grow and remain competitive.

VISION

Advance West Michigan as a global center of manufacturing excellence.

MISSION

To inspire a community of dedicated manufacturing-focused companies to deliver solutions and prosperity to its members.

OUR FOCUS

PEOPLE

Develop leaders, strengthen organizations, and build workforce readiness.

PLACE

Help manufacturers grow, compete, and build long-term resilience.

PROSPERITY

Strengthen West Michigan as a premier location for manufacturing investment and innovation.

WHY PARTICIPATE?

Members gain access to:

- Peer Networks & Industry Connections
- Insights, Best Practices & Benchmarking
- Business Growth Opportunities
- Regional Resources & Economic Development
- Innovation & Future Readiness

By engaging in:

- Plant tours and facility visits
- Council meetings and networking events
- User groups and peer roundtables
- Leadership development programs
- Strategic initiatives and working groups
- Regional manufacturing collaborations

GET INVOLVED

Membership is open to manufacturing companies and select organizations supporting the manufacturing ecosystem that maintain active investment with The Right Place.

*BUILT BY MANUFACTURERS,
FOR MANUFACTURERS.*
